**Item 5.07. Submission of Matters to a Vote of Security Holders.**

On August 8, 2013, Gladstone Investment Corporation (the “Company”) held its 2013 Annual Meeting of Stockholders (the “Annual Meeting”). There were present at the Annual Meeting, in person or by proxy, stockholders holding an aggregate of 17,655,264 shares of the Company’s common stock and 783,438 shares of the Company’s preferred stock. The following matters were submitted to the stockholders for consideration:

1. To elect four directors, as outlined below:
  - (a) Three directors to be elected by the holders of common stock and preferred stock, voting together as a single class, such directors to serve until the 2016 Annual Meeting of Stockholders, or until their successors are elected and qualified; and
  - (b) One director to be elected by the holders of the preferred stock, voting as a single class, such director to serve until the 2016 Annual Meeting of Stockholders, or until his successor is elected and qualified; and
2. To approve a proposal to authorize the Company, with the approval of its Board of Directors, to issue and sell shares of common stock (during the next 12 months) at a price below its then current net asset value per share subject to certain limitations set forth in the proxy statement (including, without limitation, that the number of shares issued and sold pursuant to such authority does not exceed 25% of its then outstanding common stock immediately prior to each such sale).

The voting results, as tabulated by and received from the inspector of election for the Annual Meeting, relating to the matters voted on at the Annual Meeting indicate that: Paul W.
