2. To approve a proposal to authorize the Company, with the approval of its Board of Directors, to issue and sell shares of common stock (during the next 12 months) at a price below its then current net asset value per share subject to certain limitations set forth in the proxy statement (including, without limitation, that the number of shares issued and sold pursuant to such authority does not exceed 25% of its then outstanding common stock immediately prior to each such sale).
